W-2's

Some additional steps need to be taken to add information to the Electronic W-2 file before it is filed with the State of Iowa. These steps coincide with Step 19 in the Connect Payroll Year-end Checklist – 2020. Once you have finished Step 19, follow these steps.

- 1. Open Connect Payroll > Government Reporting > Create Electronic W-2 File.
- 2. Verify the **Tax Year**, **File Name**, and **Authorized employee's PIN** (this is your login for the Social Security Administration website). If you are not filing with Social Security Administration, you should enter a pin of "00000000".
- 3. Use the Browse button next to the File Path field to control where you want to save the file.
- 4. Click Go to create the electronic file.
- 5. Click here to open our website where additional information will be added to the Electronic W-2 file as mandated by the State of Iowa.
- 6. Select **lowa W2** from the **Select the Edit Type** drop-down field.
- 7. Enter the lowa BEN number in the Enter BEN Number field. Do not enter dashes.
- 8. Click the Browse button and find the W-2 file saved in step 3 above. Click Open.
- 9. Click the **Convert** button.
- 10. A **Save** screen will appear. You can change the directory and/or the file name. Save the file into a directory that you remember and use the following naming format: IAW2-BENnumber-currentyear attemptnumber.txt (e.g. IAW2-12345678-2018001.txt)
- 11. Login to the state site by clicking here.
- 12. Click on DEMO ON/OFF at the top screen to turn on demo mode.
